WARDROOM REPORT

Over the last three to four years, the RBYC has seen an increase in sailing activity within the club. One of the largest increases in this interest has been in junior sailing, along with sailing courses, club competitions and regattas, such as the recent Empire series for the Optimist and Pico classes. Due to this increased activity, it has become

increasingly difficult for our present Sailing Instructor, John Malthouse, to allocate more time to the junior sailing, and also to maintain his other role as Boatyard Manager. The Club is also expecting the arrival of 3 of Hobbie 16 Catamarans, under an arrangement from KBBC, to further encourage youth and family sailing.

Therefore, in order to continue to meet the increasing demands for Junior and Adult sailing from our members, your Committee has in principle, agreed to employ a full time professionally qualified Sailing Instructor.

This will allow the club to offer more opportunities for junior sailing instruction during the weekend, including Sunday afternoons, and also potentially after school and during the school holiday periods. It will also enable us to offer professionally structured sailing programs for junior and adult sailing, advanced sailing clinics, as well as personal and one-on-one tuition, amongst other benefits. The Sailing Instructor will also assist the Boatyard Manager to maintain the Clubs fleet of sailing dinghies to ensure their availability to the members.

If the proposal to employ a Sailing Instructor is supported by the members, then in order to provide better value to our members, the Committee intends to revise and restructure the sailing fees to better reflect the regular and additional sailing opportunities that will be available by having a dedicated, professional sailing instructor available.

To that end the Committee invites comments and submissions, preferably written, from members regarding this proposal before the 15th July 2010. If the Committee receives a favorable response from the members, then we will move ahead with the employment process at the Committee meeting at the end of July.

Kota Batu will be closed on the 30-31 July as we have new caterers taking over from then. The club will be open on 1st August for Sunday lunch with Café style live music during the Sunday carvery and in the evening so please come along and support the new caterer.

Some upcoming entertainment for you all on the 24th July we have the Island night please book early as it's a seafood buffet, this will be the last big event until after Ramadan so it would be great to

see as many of you as possible. We have an Open Mic (Music and Comedy Night) on the 7th August so please come along and show us all what you can do. All that on top of the regular movie nights and Ladies Nights World cup football, for those with teams still left in! and BBQ Buffets on 2nd and 30th July. Something for everyone.

We also have the Kids holiday activities coming up in July and I would like to thank Chris Hogarth for organizing the kids camp out on 22nd July. Parents or Guardians must be in attendance. All other holiday activities will require members to volunteer to enable them to run. Names and ages of member's children wanting to camp out should be submitted to the office admin.rbyc@gmail.com

We are now in the process of putting together the annual magazine it would be great to have as much input from you all as possible so any stories, experiences, pictures you may have please feel free to email them to the office by the first week in September.

Some of you may have heard about the possible sighting of a crocodile near the club at Serasa. At present this possible sighting is still under investigation by the local authorities and is still to be confirmed but if you are on the water please be vigilant
